Adjustments to Conversion Rate Upon Conversion in connection with a Make-Whole Fundamental Change or the Issuer's Election to Redeem for Change in Tax Laws

If and only to the extent a holder elects to convert its Notes in connection with a make-whole fundamental change (as defined under "Description of the Notes— Adjustments to Conversion Rate Upon Conversion in connection with a Make-Whole Fundamental Change" in the Notes preliminary prospectus supplement) or in connection with the Issuer's election to redeem the Notes for change in tax laws, the Issuer will, under certain circumstances, increase the conversion rate by a number of additional ADSs. The following table sets forth the number of additional ADSs by which the conversion rate per \$1,000 principal amount of Notes shall be increased in connection with a make-whole fundamental change for each ADS price and make-whole reference date set forth below. The number of additional ADSs by which the conversion rate will be increased in connection with the Issuer's election to redeem the notes in respect of a change in tax law will also be determined by reference to the table below but as if the applicable redemption reference date was the "make-whole reference date" and the applicable redemption reference price was the "ADS" price, as described in the Notes preliminary prospectus supplement.

The ADS prices set forth in the first row of the table below and the number of additional ADSs are subject to adjustment as described in the Notes preliminary prospectus supplement.

The exact ADS prices and make-whole reference dates may not be set forth in the table above, in which case:

- If the ADS price is between two ADS price amounts in the table or the make-whole reference date is between two dates in the table, the number of additional ADSs will be determined by a straight-line interpolation between the number of additional ADSs set forth for the higher and lower ADS price amounts and the two make-whole reference dates, as applicable, based on a 365-day year.
- If the ADS price is greater than \$375.00 per ADS, subject to adjustment from time to time in the same manner as the ADS prices set forth in the column headings of the table above, no additional ADSs will be added to the conversion rate.
- If the ADS price is less than \$143.74 per ADS, subject to adjustment from time to time in the same manner as the ADS prices set forth in the column headings of the table above, no additional ADSs will be added to the conversion rate.

Notwithstanding the foregoing, in no event will the conversion rate exceed 6.9570 ADSs per \$1,000 principal amount of Notes, subject to adjustment in the same manner as the conversion rate as set forth under “Description of the Notes— Conversion Rights—Conversion Rate Adjustments.”
