China: A more attractive market opportunity

U.S.

China

Market positioning

Mostly focused on high-end and luxury markets

Broad universe of popular brands for mass market

Offline channels

Discount / outlet retail channels saturated for mass market merchandise; full price retailers are establishing own outlets

Lack of well-developed discount / outlet retail channel

Online channels

Brands have well established online presence and capabilities

Brands have largely rely on third party platforms to build online presence

Working capital requirement

Need to pay for inventory upfront; products can not be returned to suppliers

Limited upfront deposit; most products can be returned to suppliers
